Dear President Damian Carr, et al;

I will be calling the Abbey on Wednesday, March 23, 2016, at 2pm EST for the purpose of initiating negotiations to settle the claims of Sister Keri Burnor against the Abbey and all the many other players who have had a part in damaging her.

I ask that you have your legal counsel, if any, present for the call. I also am inviting the Pope or His Holiness' Emissary to join us. This notice is going to His Holiness by way of International Express mail, but if you have inside channels that would insure he receives notice timely, please access those for this matter.

If the above time is not convenient, please offer times more conducive to your needs; we will do our best to accommodate.

Sincerely,

Robert Gray, Attorney
