Dear Marillyn A. Hewson,

I was recently asked to represent Keri Burnor and to contact you in light of a recent conversation that took place with Fr Dominic Whedbee, acting on behalf of Abbot Damiar Carr, Abbot and President of Saint Joseph's Abbey in Spencer, Massachusetts. Keri was asked at that meeting through a contact of hers to start communications after the holidays towards reaching a resolution.

All parties are hereby notified and required to settle outstanding accounts relating to claims. If you have any questions or concerns, please contact me as I am her attorney of record. All communications are to be through my office.

Sincerely

Robert W. Gray, Attorney
